

Director of Clinic and Program Support

The Kansas Association for the Medically Underserved, a Topeka-based non-profit organization, is seeking a professional to promote the sustainability and growth of non-profit health clinics in Kansas by providing technical assistance to KAMU members and their communities. This position will also manage and coordinate special programs offered by KAMU. Previous experience in a non-profit health clinic or strong knowledge of clinic operations preferred. Must have excellent writing, speaking and leadership skills. Some travel required. Interested applicants should send a cover letter and resume to: KAMU – Clinic and Program Support, 1129 S. Kansas Ave., Suite B, Topeka, KS 66612. Applications accepted until COB August 29, 2008.
